

Notice to Rest Super members

We've changed our rules to make the process of rolling money out of your Rest account easier for you.

From 3 May 2018, you can roll **all** your money out of your Rest Super account even if you are still working for the employer who makes Superannuation Guarantee (SG) contributions for you. Previously, you could only roll out part of your balance and needed to maintain a minimum account balance.

Also from 3 May 2018, if you want to roll out **some** of your money from your Rest Super account, you'll only need to leave \$1,000 in your account to keep it open. Previously, you needed to leave \$5,000 in your account.

Transferring all of or part of your super out of Rest Super may affect your insurance cover (if any), so you might like to have a chat with a financial adviser before you decide.

This information doesn't take into account your circumstances. So, before acting on it, you should consider whether it is appropriate for you. Before making any decision about your super, please read the Rest Super PDS at rest.com.au/pds or call 1300 300 778. Issue date: 28 June 2018
