**Principal activities**

The Company acts as a trustee to Retail Employees Superannuation Trust.

**Significant changes in the state of affairs**

There were no significant changes in the state of affairs of the Company during the financial year.

**Review of operations**

The profit for the Company after providing for income tax amounted to \$2,574,307 (30 June 2023: \$2,495,454).

The Company incurred expenses related to trustee liability insurance, reimbursement of Directors' travel costs to attend Board and Committee meetings, Directors fees and Director training and development. The Company charges trustee fees on a cost recovery basis to Retail Employees Superannuation Trust (the Fund) as well as trustee fees to fund the trustee capital reserve.

**Dividends**

There were no Dividends paid, recommended or declared during the current or previous financial year.

**Directors' benefits**

During the financial year the Directors of the Company have received the benefits disclosed in the financial statements.

**Matters subsequent to the end of the financial year**

As disclosed under Proceedings against Rest below, judgment was delivered on 18 September 2024 in ASIC's civil penalty proceedings in the Federal Court against the Trustee, with the case dismissed.

No other matter or circumstance has arisen since 30 June 2024 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

**Likely developments in operations in future financial years and the expected results of those operations**

There are no likely developments and expected results of operations for disclosure.

**Environmental regulation**

The Company is not subject to any significant environmental regulation under Australian Commonwealth or State law.

**Proceedings on behalf of the Company**

The Australian Securities and Investments Commission (ASIC) commenced civil penalty proceedings in the Federal Court against the Trustee in March 2021. ASIC alleged that the Trustee made false or misleading representations from 2 March 2015 to 2 May 2018 about the ability of members of the Retail Employees Superannuation Trust (the Trust) to transfer their superannuation out of the Fund. A hearing on liability took place in the Federal Court of Australia in November and December 2023. Subsequent to year end, on 18 September 2024 a judgment was delivered, and the proceeding was dismissed. In the absence of disagreement about the costs order, ASIC will pay 80% of the Trustee's costs (as agreed by ASIC or determined by the Court). This amount will not exceed 80% of the Trustee's costs of \$2.4m. Should either party contend for a different costs order, the Court will then make directions.

**Retail Employees Superannuation Pty Limited**  
**Directors' report**  
**30 June 2024**

A class action was commenced against Rest in the Federal Court of Australia on 22 December 2023. The class action relates to some members of the Trust between 5 December 2008 and 30 June 2019 who had default income protection insurance and were charged insurance premiums after a period of 12 months during which they did not make or receive contributions into their Rest accounts. The Trustee denies the substantive allegations and is defending its position. It is currently not possible to determine the ultimate impact of these proceedings on the Trust. No provisions have been raised for this matter as there is no present obligation and the likelihood of any financial liability is both uncertain and cannot be reliably measured.

**Rounding**

The Company is not of a kind referred to in Corporations Instrument 2016/191, issued by the Australian Securities and Investments Commission, relating to 'rounding off' amounts in the Directors' report. All amounts in the Directors' report and the financial statements are rounded off to the nearest dollar.

**Insurance of Officers**

During the reporting period, the Company paid premiums in respect of a contract to indemnify the Directors and Officers of the Company, of Retail Employees Superannuation Trust and its subsidiaries against claims for which they may be liable. The total amount of insurance premium paid was \$1,279,236 (2023: \$1,441,183).

**Indemnity and insurance of auditor**

The Company has not, during or since the end of the financial year, indemnified or agreed to indemnify the auditor of the Company or any related entity against a liability incurred by the auditor.

During the financial year, the Company has not paid a premium in respect of a contract to insure the auditor of the Company or any related entity.

**Auditor's independence declaration**

Yours faithfully

## Independent Auditor's Report to the Board of Directors and members of Retail Employees Superannuation Pty Ltd

### *Opinion*

We have audited the financial report of Retail Employees Superannuation Pty Ltd (the "Company") which comprises the statement of financial position as at 30 June 2024, the statement of profit of loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- Giving a true and fair view of the Company's financial position as at 30 June 2024 and of its financial performance for the year then ended; and
- Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

### *Basis for Opinion*

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (*including Independence Standards*) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Other Information*

The directors are responsible for the other information. The other information comprises the information included in the Company's Directors' report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### *Responsibilities of the Directors for the Financial Report*

The directors of the Company are responsible:

- For the preparation of the financial report in accordance with the *Corporations Act 2001*, including giving a true and fair view of the financial position and performance of the Company in accordance with the Australian Accounting Standards; and
- For such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### *Auditor's Responsibilities for the Audit of the Financial Report*

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our

auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Company (Retail Employees Superannuation Pty Limited) acts solely as Trustee of Retail Employees Superannuation Trust (the Fund). These financial statements have been prepared for the Company, and as such do not record the assets and liabilities of the Fund as the Trustee will be indemnified from the Fund against all claims losses or liabilities incurred by it in the execution, attempted execution or in respect of the non-execution of the trusts, authorities, powers and discretions contained in the Trust Deed unless it has failed to act honestly or intentionally or recklessly fails to exercise the degree of care and diligence that the Trustee was required to exercise or the liability is for the amount of a criminal, civil or administrative penalty incurred by the Trustee in relation to a contravention of a law of the Commonwealth or the indemnity is otherwise precluded as a matter of law. **Note 14. Contingent liability**

A class action was commenced against Rest in the Federal Court of Australia on 22 December 2023. The class action relates to some members of the Trust between 5 December 2008 and 30 June 2019 who had default income protection insurance and were charged insurance premiums after a period of 12 months during which they did not make or receive contributions into their Rest accounts. The Trustee denies the substantive allegations and is defending its position. It is currently not possible to determine the ultimate impact of these proceedings on the Trust. No provisions have been raised for this matter as there is no present obligation and the likelihood of any financial liability is uncertain and cannot be reliably measured.

Apart from the contingent liability referred to above, there are no other material contingent liabilities as at 30 June 2024. No further contingent liabilities of a material amount have since come to the knowledge of the Directors.

**Note 15. Contingent asset**

The Australian Securities and Investments Commission (ASIC) commenced civil penalty proceedings in the Federal Court against the Trustee in March 2021. ASIC alleged that the Trustee made false or misleading representations from 2 March 2015 to 2 May 2018 about the ability of members of the Retail Employees Superannuation Trust (the Trust) to transfer their superannuation out of the Fund. A hearing on liability took place in the Federal Court of Australia in November and December 2023.

Subsequent to year end, on 18 September 2024 a judgment was delivered, and the proceeding was dismissed. In the absence of disagreement about the costs order, ASIC will pay 80% of the Trustee's costs (as agreed by ASIC or determined by the Court). This amount will not exceed 80% of the Trustee's costs of \$2.4m. Should either party contend for a different costs order, the Court will then make directions.

**Note 16. Subsequent events**

On 18 September 2024 the judgment was delivered in ASIC's civil penalty proceedings in the Federal Court against the Trustee, and the proceeding was dismissed.

No other matter or circumstance has arisen since 30 June 2024 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.
