Brandon Anderson

**Authorised Representative
Number 001263362**

I am an employee of Rest, and an Authorised Representative of Link Advice.

I have worked in the financial service and wealth management industry since 2013. Graduating with a Bachelor of Commerce, Majoring in Financial Planning, my motivation to become a financial planner was to help people through the clouded and complicated world of finance, super and money.

Educating members, ensuring their money is working harder for them towards their dreams and life goals, leaving them with a greater understanding of their financial situation and with peace of mind - provides me with the satisfaction knowing that I am making a difference to their lives.

I am authorised by Link Advice to provide financial advice in the following areas:

- Superannuation
- Transition to Retirement
- Investment option choice
- Personal risk insurance.
