Section 3: How would you like your withdrawals to be paid

Your withdrawals, including pension payments, fee and other charges can only be drawn from the investment options you nominated in Section 2. Please select only one type of payment option:

- Percentage of each investment option you would like Rest to use to pay your future withdrawals or;
- Order of investment option you would like Rest to pay your future withdrawals by entering 1 to 13 for all your investment options in the Withdrawal split (#) column.

If you don't select an option, your payments will be paid in the same proportions as your balance split selection nominated in Section 2.

* If you are investing in the Bonds and/or Shares investment options, please see the Rest Pension PDS for terms and conditions applying to withdrawals from those investment options.

Note: If you have selected the Property option, you are consenting to the Property option terms and conditions in the Rest Pension PDS.

These place restrictions on withdrawals, rollovers, transfers or switch requests ("Transaction Request") from that option.

Section 4: Declaration

Please direct my current balance and all future withdrawals (including pension payments, fees and charges) made by me and/or on my behalf to the investment option(s) that I have nominated on this form. I declare that:

I have read and understood the information in the PDS and/or on Rest's website and on this form and I understand:

- the investment choices available
- how I can change my investment choice
- the investment strategies and objectives for each investment option
- that I can find information about the available investment options in the current PDS, Target Market Determination and/or on Rest's website at any time
- that the investment switch may incur buy-sell spread costs
- that the Trustee may close any investment option
- that the following conditions apply to this investment choice:
 - if my switch request is received:
 - before 4pm AEST/AEDT (Sydney time) on a business day, my switch will take effect two business days later,
 - at or after 4pm AEST/AEDT (Sydney time) on a business day or received on a weekend or national public holiday, my switch will take effect three business days later.
 - if I have chosen to invest in the Property option the terms and conditions applying to that option. I understand that property is not an asset that the Trustee can sell quickly and therefore I may not be able to switch or rollover my investment in the Property option immediately. The Trustee will normally do so within 30 days, unless redemptions have been suspended
 - the switch request will be in accordance with the terms on "How to switch an investment option" on rest.com.au/investments-switch

Section 4: Declaration (continued)

- if this form has not been completed correctly, my request may not be accepted
- once my request has been accepted, it cannot be reversed although I can make another switch request if I change my mind (however this will incur additional transaction costs)
- the Trustee does not review my investment choices to determine whether they are suitable. I am responsible for any investment choices I make
